## General Information

A program designed for campers seeking more flexibility. They will join Juniors from around the world. Our goal is to bring out the best in each camper by enhancing their skills and developing leadership abilities. Sports, nature, artistic expression, and teamwork are key elements. **Campers will engage in sports activities mixed with educational courses on the environment, nutrition, first aid, DIY, photography, cooking, survival, and community service hours.** Entertainment activities at a senior residence encourage social interaction and emotional well-being. The schedule includes free time, barbecues, excursions, and daily challenges focusing on values like determination, perseverance, and camaraderie. Campers help with tasks like room tidiness, daily laundry, and dining setup. Activities are led by certified leisure instructors or sports coaches. Two instructors per eight campers, one certified and one in training.
